aaonri LIVE APP   iSoftMs Private Limited

Online E-Commerce and Ads   *(May -2020)*

Aaonri is a unique digital social and e-commerce platform that adds a new dimension for the South Asian community living in the US by enabling the immigrants to connect, share, buy, sell, learn, seek, register, apply, hire, benefit, and grow. Aaonri which means Welcome Non-Resident\ Residents Immigrants. For the people who like to socialize, Aaonri provides a platform for the people to meet each other and to share their interests, culture and many more. Our objective of bridging the information gap between immigrants and communities. We have come up with Aaonri after proven expertise in developing immigrant's solutions. Right from posting an ad or seeking/providing a job or finding a household service or finding a community party around, do it easily, securely, and quickly. You get all questions answered. All posts replied quickly and thoroughly. Sometimes when more information is needed to decide, aaonri provides you a piece of expert advice from our team of veterans from various walks of life. They will be there to solve your queries pertaining to these subjects in a short span of time. We present you a precise, well-knit, comprehensive data that answers all your questions at once.
